

11 August 2020

Dear parents and carers and students

I'm writing to update you about the situation at **Greater Shepparton Secondary College – Wanganui Campus**, after a student tested positive for coronavirus (COVID-19).

I'd like to thank the entire school community at the outset for your patience and understanding during this difficult time.

The Department of Health and Human Services (DHHS) has now completed its risk assessment.

DHHS has concluded that the student was not on site while infectious and therefore close contact tracing was not required in this case.

They have also advised that the **school can reopen from Wednesday 12 August** now that appropriate cleaning has been completed.

Next steps

New arrangements have now come into effect for all schools.

To slow the spread of coronavirus (COVID-19), Stage 3 restrictions now apply for regional and rural Victoria and Stage 4 restrictions now apply for metropolitan Melbourne.

All schools across Victoria have returned to remote and flexible learning, for **all** year levels, except for specialist schools in rural and regional Victoria, for the rest of Term 3.

On-site supervision in regional Victoria is available for students whose parents/guardians cannot work from home and where no other supervision arrangements can be made, vulnerable children and any child with a disability based on parent choice.

Face coverings are compulsory for all Victorians over the age of 12. The exception to this is students over the age of 12 attending primary school, who are not required to wear a face covering while at school. Further information on the use of face coverings in schools can be found on the [DHHS website](#).

More information

More information regarding coronavirus and schools is available from the Department of Education and Training (DET) on the [DET website](#) or by contacting the DET coronavirus (COVID-19) hotline on **1800 338 663** 8am to 6pm, seven days a week. If you call them, please be clear that you are calling in relation to **Greater Shepparton Secondary College**, and they will provide as much information as they can.

For school information in your language, call TIS National on **131 450**. Please ask them to call the DET coronavirus (COVID-19) hotline on **1800 338 663** and they will help interpret.

For health advice in other languages visit www.dhhs.vic.gov.au.

There are also resources and supports available on DET's [coronavirus \(COVID-19\) advice for parents, carers and guardians page](#).

I also remind you to please respect the privacy of our student who tested positive to coronavirus (COVID-19). I am proud to belong to such a caring and supportive school community and I thank you for your understanding at this challenging time.

The school will continue to work closely with both DET and DHHS during this time, and we wish the affected student a speedy and safe recovery.

Sincerely,

Genevieve Simson
Executive Principal
