

Innovative, inclusive & brand new

Greater Shepparton Secondary College is
now taking enrolments for 2022

We offer a *small school environment* with
big school advantages.

Junior school: Our Year 7 and 8 students have their own homeroom, in their own House, with all the facilities and support they need to transition to secondary education. Their "school within a school" is no more than 300 students across all year levels – small, inclusive and supportive.

Middle school: Our Year 9 and 10 students step out of their House into a Neighbourhood of specialist and applied learning opportunities – technology, science, arts, media and more.

Senior school: Our senior students have their House, their Neighbourhood and an Enterprise and Innovation Centre, with trade technology, science, food, dance, performing arts and more specialist spaces.

Applying for Year 7?

You will soon receive a Transition Pack from your primary school, or you can obtain one from your child's school. For enrolment information across all year levels, email us at greater.shepparton.sc@education.vic.gov.au or call (03) 5820 9900.

Greater Shepparton Secondary College is an
unprecedented investment in our young people.

Make it your choice in 2022!
