Expression of Interest - Community Member Co-option

The GSSC School Council is seeking expression of interest for a Community Member Co-option.

The school is currently in an important phase of development and given the desire for school council member diversity and ensuring the student experience is front and centre in GSSC's governance, we are looking to fill a Community member position that will represent the Koorie Community.

OBJECTIVES OF SCHOOL COUNCIL

The objectives of a school council are set out in the school council's constituting Order and section 2.3.4 of the Education and Training Reform Act and are to:

- assist in the efficient governance of the school
- ensure that its decisions affecting students of the school are made having regard, as a primary consideration, to the best interest of the students
- enhance the educational opportunities of students at the school
- ensure the school and the council complies with any requirements of the Education and Training Reform Act, the Education and Training Reform Regulations, a Ministerial Order or a direction, guideline or policy issued under the Education and Training Reform Act

CODE OF CONDUCT

Community members generally have the same rights, responsibilities and terms of office as elected members unless otherwise provided in Ministerial Order 1280 Constitution of Government School Councils.

School councillors must abide by the Code of Conduct issued by the Victorian Public Sector Commissioner. The Code of Conduct is based on the Victorian Public Sector Values and requires councillors to:

- act with honesty and integrity – be truthful, open and clear about their motives and declare any real, potential or perceived conflict of interest and duty
- act in good faith in the best interests of the school – work cooperatively with other councillors and the school community, be reasonable, and make all decisions with the best interests of students foremost in their minds
- act fairly and impartially – consider all relevant facts of an issue before making a decision, seek to have a balanced view, never give special treatment to a person or group and never act from self-interest
- use information appropriately – respect confidentiality and use information for the purpose for which it was made available
- use their position appropriately – not use their position as a councillor to gain an advantage
- act in a financially responsible manner – observe all the above principles when making financial decisions
- exercise due care, diligence and skill – accept responsibility for decisions and do what is best for the school
- comply with relevant legislation and policies – know what legislation and policies are relevant for which decisions and obey the law
- demonstrate leadership and stewardship – set a good example, encourage a culture of accountability, manage risks effectively, and exercise care and responsibility to keep the school strong and sustainable.
