Statements from Candidate – NARELLE WILLING

Hello Everyone,

My name is Narelle Willing and I have nominated for a position on this year's School Council at GSSC. I have two children in Year 9.

I am an Early Childhood Teacher with 25 years of kindergarten teaching experience who is passionate about inclusion and inclusive practice, respectful relationships and collaboration with others.

My main reasons for standing for council are to gain a deeper insight into the education model currently presented to our community and to ensure all children attending GSSC have access to quality inclusive education and opportunities.

I have had previous school council experience at Primary School level as well as working on committees to organize major events for our local early childhood sector.

I believe I have the skills to:

- be a voice of reason,
- ask questions and create robust discussion when needed
- collaborate with others to provide practical solutions to problems which may arise in the future.

I look forward to hopefully being a part of great things at GSSC.

Thank you for the opportunity.

Narelle Willing
