

GREATER
SHEPPARTON
SECONDARY
COLLEGE

Dear Parents, Guardians and Carers,

Greater Shepparton Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Greater Shepparton Secondary College voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. Greater Shepparton Secondary College provided free laptops to all Year 7 students in 2021 and 2022 and will do so again in 2023.

Our School Council is proud of the excellent quality of our facilities and resources available for our students to enjoy and few schools match the numerous programs we offer to cater for students' needs and interests. However, these do not come without extra costs. Parents support through parent payments has assisted in considerable improvements being carried out on our new site.

For further information on the Department's Parent Payments Policy please refer to the overview attached. Information is also available on our school website www.gssc.vic.edu.au

Yours sincerely,

A handwritten signature in black ink that reads 'B O'Brien'.
